**DETAILED ACTION**

***Claim Rejections - 35 USC § 102***

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
2. Claims 1 and 6 are rejected under 35 U.S.C. 102(b) as being anticipated by Hoek (5,903,402).

Hoek teaches (see fig. 1) an exterior mirror including mirror housing assembly(16), sail(20) for attaching the assembly to a vehicle, and a folding mechanism (at 18) for folding and maintaining the mirror in a forward direction for reducing the width of the vehicle (also note the discussion in col. 6).

***Claim Rejections - 35 USC § 103***

3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
4. Claim 10 is rejected under 35 U.S.C. 103(a) as being unpatentable over Hoek ('402) in view of Hoek ('743).

The '402 patent does not teach the assembly to include a microphone or speaker. However, such features are common in mirror assemblies and an example is shown by the '743 patent, which teaches that such may be used in a vehicle mirror assembly

Art Unit: 2872

(note the end of col. 9). It would have been obvious to the ordinarily skilled artisan at the time of invention to include either a microphone or speaker in the '402 device in order to allow for sound to be emitted from or received by the mirror assembly.

### *Response to Arguments*

5. Applicant's arguments with respect to the claims have been considered but are moot in view of the new ground(s) of rejection.

### *Conclusion*

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will

Art Unit: 2872

expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
